BANGLORE,INDIA

OBJECTIVE

AI& Machine Learning graduate with hands-on experience in Python, SQL, data science, and machine learning. Seeking an entry-level Data Science role to apply analytical and technical skills, develop data-driven solutions, and contribute to real-world projects.

INTERNSHIP

Data Analytics Intern — 2025-26

- Performed data cleaning, preprocessing, and exploratory data analysis on real-world datasets, Built visualizations to identify trends and patterns using Python (Pandas, Matplotlib)
- Worked on basic machine learning models for predictive insights • Improved analytical thinking and problem-solving through hands-on projects

AWS Cloud Analyst Intern | Motorola AISECT LearnX Initiative-2026

- Developed and deployed “CivicTrack” cloud-based civic issue reporting system using AWS EC2 and AWS RDS
- Built responsive frontend and integrated REST APIs for complaint management and dashboard tracking , Configured cloud deployment, database connectivity, and web server services for scalable hosting

EDUCATION

Bachelor of Computer Applications (Artificial Intelligence & Machine Learning)

Izee Business School, Bangalore University

Graduated: June 2026

PROJECTS

CivicTrack – Smart Civic Issue Reporting System (AWS-Based) — 2025

- Developed a cloud-based web application to report and track civic issues in real-time, Integrated AWS services for scalable backend and data storage
- Designed user-friendly interface for issue submission, tracking, and updates

Customer Churn Prediction Pipeline: Developed an end-to-end ML pipeline including preprocessing, feature engineering, model training, evaluation, and prediction.

Fish Farm AI System — 2025

- Built an AI-based system to monitor fish farming conditions and improve efficiency, Applied machine learning techniques for predictive analysis

SKILLS

Python • SQL • Java • HTML • CSS • JavaScript

• Machine Learning • Data Analysis • Pandas • NumPy • Scikit-learn • Matplotlib

• Git • GitHub • Jupyter Notebook • AWS (EC2, S3, IAM, VPC)

• Problem Solving

• Communication • Teamwork

STRENGTHS

Problem Solving & Analytical Thinking – Quick Learning & Adaptability – Team Collaboration

LANGUAGES

English (Proficient)

Malayalam (Native)

Hindi (Conversational)
